DCMC Report - Ken M., since our last district meeting I have had the pleasure of attending the Area Committee Meeting and DCMC sharing session, and our district GSR sharing session. The GSR session at Tony's house was great, as we all got to discuss and become more familiar with the motions that will be discussed, and possibly voted on at the Summer Assembly next week right here in Vacaville. At the DCMC sharing session there was a great presentation from Bonnie, the chair of Lake County district 13. Bonnie passed around her new GSR handbook and it looked very familiar. She gave us credit as they pretty much copied ours; I then gave Sonoma Co. its prop's as we pretty much stole theirs. At the business meeting I was able to carry our districts conscience on the motions we talked about last month. Back here in District 90 we are still in search of a DCM to fill the vacancy left by Bruce when he moved.

Treasurer - John Q.: Report read and accepted.

We are getting 1 or 2 contacts per month and our list of volunteers grows each month. H&I committee can take our white cards into facilities, 1 will be happy to provide them.
