DCMC Report – Ken M., since our last meeting I have attended the Area Committee Meeting, including the DCMC sharing session. I also attended the local H&I meeting in the hopes of finding someone there who may be of interested in our BTG chair position that remains open. I am also trying to get to a few more of your business meetings, so if I haven't made it to yours yet I'm still working on it.

Treasurer – John Q.: Report read and accepted.

Registrar – Barbara, please make corrections on the sign in sheet if any information is wrong.

PI/CPC – no report

Literature/Grapevine – Kate M., I did not have a GV meeting this month as it was Thanksgiving. We will be meeting in December. We are working on a list of places to distribute the past issues of GV's that I ordered earlier this year.

Bridging the Gap – no report

Area Officers report – Brian F., Tradition 12 report

Due to District inventory all other business was suspended, but here are the GSR reports I received

Twin Cities – Jim J., attendance about the same, still able to keep the Friday meeting going, nearly all positions filled for the next 6 months

Tuesday night ladies – Lorri A, group is doing well, last night we held our elections and we were able to fill most of our positions. We also discussed what happened at the Fall Assembly. I told them tonight was our inventory and read off the questions we were going through.

Into Action Fellowship – (alt) Alison B., we have been in the process of creating a steering committee during the last 4 months and will vote on it's guidelines this month. We had elections in November for this upcoming year. Our rent was increased and we now have a 2 year contract and we also increased our prudent reserve.

Primary Purpose – Amy, our group is doing well, all service positions are coming up in January. Home group members are stepping up and taking on most of the commitments.

We have started to review all the things that we discussed at our group inventory and are stating to go over them. So we look forward to growing and trusting in the process.
