**DCM Report** – Tony W., I attended half of the ACM and went to the Terry D. sharing session and the web committee meeting. The game night was fun and the guys prevailed in the pictionary head to head battle of the sexes. We had a low turnout but I was talking to Larry J. before everyone arrived and he made me look at it differently. No one could make it because they were hung over, had been arrested for DUI, or were drunk. They had to spend time with family members, go to school, or watch their kids play sports; in short, they have a life now because of AA and that is a beautiful thing.

**DCMC Report** – Ken M., please see report
